1957 FOREST FIRE RECORD FOR YOUR TOWN

Number of fires — 4
Acreage burned — 2 7/10
Number of permits issued — 82

1. Don't burn at home — use your town dump and avoid all fire problems.

2. If you do burn, be sure to secure a written permit from your local forest fire warden when the ground is not covered with snow. Permits are required for open debris fire, home incinerators, outdoor fire places and camp fires. Your warden is instructed to permit burning if weather conditions, site and type of burning are safe.

Public Health Nurse
Bureau of Public Health Nursing
N. H State Department of Health

HEALTH OFFICER'S REPORT

The general health of the town has been fair this past year. There was a mild outbreak of flu in the fall, and the usual run of colds and lagrippe.

I have inspected the toilets in school buildings, and all the rest rooms; also stores and restaurants.

Samples of water from different sections of town, as well as the town supply have been tested and found good.

The water at the slaughter house swimming pool was tested and found contaminated, so bathing has been prohibited.

Respectfully submitted,
C. PHILIP McLEOD,
Health Officer

SCHOOL WARRANT

The State of New Hampshire

To the Inhabitants of the School District in the town of Henniker qualified to vote in district affairs:

You are hereby notified to meet at the Cogswell School Auditorium in said district on the 11th. day of March 1958, at 2:00 o'clock in the afternoon, to act upon the following subjects:

1. To choose all necessary School Officers for the ensuing year.

Polls open at 1:00 P. M. and close at 9:00 P. M.

2. To hear reports of Agents, Auditors, Committees or Officers chosen and take action relating thereto.

3. To choose Agents, Auditors, and Committees in relation to any subject in this warrant.

4. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officers and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income: the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

5. To see if the district will vote to adopt a plan for extending to employees of the town the benefits of title 11 of the Federal Social Security Act (Old Age and Survivor's Insurance) as authorized by Chapter 101 of the Revised Statutes Annotated Amended by Chapter 301 and 332 of the Laws of 1955.

6. To see if the district wishes to exclude from the plan services in any class or classes of positions filled by popular election.

7. To see if the district wishes to exclude from the plan services in any class or classes of positions the compensation for which is on a fee basis.

8. If a plan for Social Security coverage is adopted, to see if the town will authorize the selectmen to execute on behalf of the town the necessary agreement with the State of New Hampshire to carry into effect the plan and to see if the town will designate the School Treasurer as the officer to be responsible for the administration of the plan.

9. To see if the school district will vote to hereafter use a check-list for the election of its officers, beginning with the 1959 annual district meeting, and will adopt as its school check-list the Town check-list, as provided in RSA 197:12a, as inserted by Laws of 1957, Chapter 57.

10. To transact any other business that may legally come before said meeting.

Given under our hands at said Henniker this 19th day of February, 1958.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

There have been several changes in the high school teaching staff this year. Mr. Dwight Baker was appointed Principal. Mr. Louis Kasairas is the new English and Social Studies teacher; Mr. Donald Brennan is the new shop teacher; and Mrs. Amy Simpson is the new homemaking teacher. In the Elementary school Mrs. Louise Faulkner is the new fourth grade teacher. The first semester we have had Edna Baldvin as a cadet teacher in English and French. The second semester Mr. Donald Simpson will be cadet teaching in Mathematics and Science.

On November 4, 1957, a committee from the State Department of Education visited Henniker High School. The purpose of the visit was two fold: to classify what action, if any, was necessary to qualify Henniker High as an Approved School under the Minimum Standards which will go into affect September 1, 1958; the second purpose was to identify aspects of the school plant and program which are in need of attention if we are to offer a comprehensive high-school program in Henniker. The following is a digest of the resulting report.

Action Necessary Under Minimum Standards

1. At least 12 units in practical arts subjects must be offered. Henniker now offers eight, including four each in homemaking and general shop. It is expected that the additional units would be offered in the business field. This would mean an additional teacher in the high school.
2. Three regularly scheduled offerings in the Fine Arts Area must be provided. Henniker now has only two opportunities, including one in Band and one in Chorus. This can be corrected by one more offering in music or one in art.

3. All courses must meet the time allotment requirement. There can be re-arrangements made on next years schedule, with an adjustment in the length of the school day and noon recess.
4. No teacher shall be assigned a teaching schedule which requires more than five academic preparations a day. Only one of our teachers is affected by this requirement. This can be corrected on next years program.

Action Sharply Recommended

1.The program of studies should be rearranged with particular attention paid to the following areas.

a. At least one language should be offered for three years. Experience on the college level supports these recommendations very sharply. At the present time we are offering two years of French and two years of Latin.
b. Band should be scheduled for more than one period. Mr. Desrochers has done a fine job with band but is hampered by the limited amount of practice time.
c. Electricity should be added to the general shop program. Plans were made by Mr. Kontinos to add electricity, and Mr. Brennan will teach some electricity this year.
d. A physical education program should be instituted for all high school students at least twice a week and the Junior high classes which meet only once a week should meet twice a week. This would mean a teacher would have to spend half his time teaching physical education.

2. Every effort should continue to be made to determine how existing space can be efficiently used. Considerable attention to this problem has been given by the board as evidenced by the improvement in shop space and the homemaking rooms. They are also considering a folding partition in the large upstairs classroom, to make an extra classroom. One of our problems is the fact that our classrooms in the high school building are small in comparison to a typical high school classroom

and some of our classes in the elementary school are quite large, thus we are going to have some difficulties unless our enrollment trend changes.

3. The library is inadequate both as a materials center for the instructional program and as a teaching aid. The annual budget should appropriate not less than $300.00 for library materials. We have recognized this as a weakness and have been attempting to gradually build up our library resources.

4. Every effort should be made to provide a well rounded activity program. This means assembly programs, dramatics, student council, school paper, science clubs, etc. We are hoping to schedule an activity period next year to solve this problem.

The schools have been caught in the inflation which has been taking place nationally over the past ten years. Costs continue to mount. Competition for new teachers continues to be great and indications are that the beginning teachers will be asking and getting $200-$500 more than they did last spring. With both Maine and Vermont improving their salaries we will not be attracting teachers from those states as we have in the past, so we will have to depend on our source of supply in New Hampshire. If it were not for our married teachers coming back into service we would be in a hopeless situation.

It is unfortunate that with increased demands on education made by the state in the Minimum Standards and by the nation during the present crisis, the schools are expected to carry on with an antiquated tax base. The real estate tax requires the property owner to carry the major burden of supporting the community, with no relation whatsoever to ability to pay taxes.

I wish to express my thanks for the fine cooperation I have received from the parents, teachers, and school board. I have enjoyed working with your children.

PRINCIPAL'S REPORT

To the Superintendent of Schools, members of the School Board, and the citizens of Henniker.

I am happy to submit my first annual report to the above named persons.

Our enrollment is about the same as last year, because of transfers and drop outs.

We graduated 14 students in June, most of whom went on to higher education. Seven enrolled at Universities and Colleges, two went to Air-Line Hostess School, one went to Commercial School, two entered the Armed Service, one is working in the Artesian Well business and one is anticipating the General Electric Apprenticeship Program. This is a record that speaks well for the students of Henniker.

The year has not passed without incident. Due to two most unfortunate accidents, Mr. Donald Brennan has been incapacitated for a rather lengthy period of time. This situation required us to obtain temporary replacements, and we were fortunate to have Mr. George Lambert and Mr. Louis O'Mara. It is most helpful to have teachers return who have been in the school system. Mrs. Evelyn Woollett returned to handle the English Department. Mr. Eugene Lord is once again with us to direct the Math-Science program, and Mr. Dean DesRoches occupies the same position this year as Social Studies instructor and Music director. We also have had two able practice teachers, Miss Edna Baldvin and Mr. Donald Simpson, whom I know have been a great help to Mrs. Woollett and Mr. Lord. Mr. Simpson has also handled the coaching duties. A rather noticeable change took

place by the complete re-decorating of the Home Economics room. It is now a most productive and pleasant place to work. Less noticeable changes have occurred as follows: Latin has been added to the curriculum, more individual guidance has been attempted, our library has a new set of encyclopedias, and our time schedule has been altered slightly.

The future offers still further changes. Most Significant is the offering of Commercial subjects to those interested. Others are the reduction of teacher load, addition of an Art course, minor changes in the program and time schedule, increased planning for group guidance, and continued improvement of our library. I know the parents and people of Henniker are interested in continued improvement of their school. The above changes are steps in that direction.

In closing, I wish to thank the persons responsible for making Henniker High School a functional and productive secondary institution. You should be proud of the graduates who are so ably making their way in a difficult and complex society. Let's look toward further interest and co-operation between school and community, for without this no education system can survive.

Respectfully submitted,
DWIGHT BAKER

The School Lunch Program was in operation from October 1956 through the second week of May 1957.

There were 16,498 meals served to children and 295 served to adults for a total of 16,793 meals. The average number of pupils served daily was 121.

I found the kitchen well equiped so very little was spent in that manner. Last fall I asked that any person

having surplus garden products, who wished, donate the same to the School Lunch Program. The response was most gratifying. I wish to take this opportunity to thank everyone who donated food or has helped us in any way. I wish especially to thank the teachers of the Grade School who so kindly gave much of their time to our program.

Respectfully submitted,
HAZEL C. GILBERT,
Manager
